GBN Band Sponsorship

$250 Friends Plus
Your family or company name listed in the Friends Plus section of all band concert programs for the year.

$550 We're With The Band, Bronze Level
Previous benefits, plus:
Your family or company name listed and linked in the 'We're With The Band' section of the GBN BPO website.

$1500 We're With The Band, Silver Level
All previous benefits, plus:
A public thank you in the form of a banner with your logo at home sporting events at which the band performs.

$2000 + We're With the Band, Gold Level
All previous benefits, plus:
Your business logo displayed on our truck when traveling to marching band competitions (3x per year)

$5000+ Special Trip Sponsorship Opportunity!
In Spring of 2026, members of the band will be taking a trip to Spain and Portugal. This is an expensive trip, but a priceless experience for students. A donation at this level would be spread across all trip participants to help ease the burden on families. Donating at this level would get you all of the previous recognitions, as well as your logo on the back of the trip t-shirt.

The GBN Bands are a collection of award-winning groups, with members that also represent many other school and community groups and clubs. They are a well respected and highly visibly group within the Northbrook community. We hope you will consider supporting them this year, and in the future!
